THE AYO 8MM ORIGIN COLLECTION

Create a modern minimalist look with the stylish elegantly designed AYO Origin 8mm Wetroom Screen.

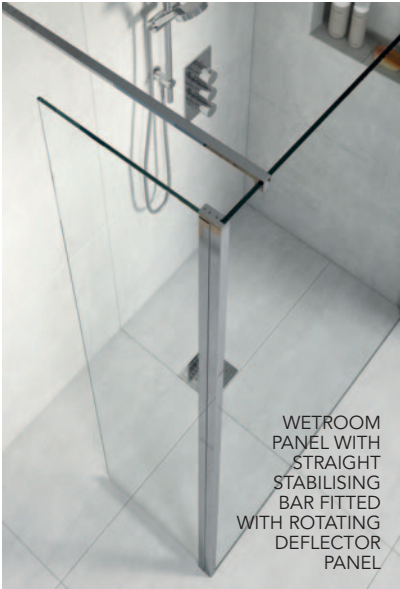

These stylish 8mm glass panels incorporate the aluminium frame bonded directly to the edge of the glass and are supplied with a stainless steel stabilising bar providing you with the assurance of quality and the reliability customers have come to trust from Flair.

With toughened safety glass, hidden wall, stabilising fixings and hydrophobic coating the AYO Origin wetroom is the ideal choice for your busy bathroom routine.

A protective U-Channel is supplied as standard, allowing a rotating panel to be retrofitted at a later stage.

DESIGNED FOR LIFE

SINCE
1952

flair
—

Founded in County Cavan in 1952, Flair have built up a trusted reputation as a specialist in the production of quality shower doors and bath screens. Our reputation has stood the test of time, making us the oldest manufacturer of our kind in Ireland. We are proud to be a brand of choice for customers.

With an unwavering commitment to customer care, Flair combine lifelong knowledge and expertise with advanced production techniques. We offer our customers innovative designs that bring a new sense of enrichment to their bathroom and enjoyment to our customers.

The perfect blend of function and form. Designed for life.

QUALITY GUARANTEED

At Flair we have an unwavering commitment to product quality.

All AYO Wetroom Solutions are CE approved and manufactured in accordance with ISO 9001:2000 Quality Assurance systems. All glass is toughed safety glass and produced to EN12150.

Flair products are performance tested to EN14428. AYO rotating panels have been subject to lifetime shower door cycle testing consisting of 20,000 functional cycles.

AYO Wetroom Solutions are also tested for their durability, stability, and water retention properties to ensure that they meet the highest possible industry standards. Please note - Due to the weight of this product it requires a two man lift.

AYO 20 year Guarantee

AYO Wetroom Solutions are covered by a 20 year guarantee against manufacturer defect. This guarantee is valid on the condition that goods are installed and maintained in accordance with the products fitting instructions and best practices. ***Note: Non glass and detachable parts such as seals and cover caps are subject to normal wear and tear during usage and are under statutory guarantee for 2 years from time of purchase.**

We ask our customers to register their guarantee online at www.flairshowers.com or return the guarantee card that comes with every AYO door.

Aftersales & Spare Parts service

Flair is 100% committed to customer service excellence. We carry a full range of spare parts for each of our product ranges and have dedicated aftersales representatives to deal with any issues you may have.

If you would like to talk to our customer aftercare team, please contact us on +353 42 966 8000.

Cleaning

ClearVue glass coating is a standard feature in all AYO Wetroom panels. This easy to clean glass coating is applied to the glass surface and ensures the soap deposits and lime scale are easily cleaned off the glass.

Glass: Use a soft cloth and mild detergent. Rinse off thoroughly*

Metallic Surface: Use a soft cloth and warm soapy water*

Painted Surface: Use a soft cloth and mild detergent, rinse off thoroughly*

*Do not use "Spray & Leave" cleaning products on the metal surface as these will cause damage to your wetroom glass. These include acidic based cleaning products, bleaches, solvents or abrasive pads. These will damage the anodising layer on the aluminium profiles.

*In the hard water areas, regular cleaning of your Flair glass will help prevent the buildup of limescale. Stubborn deposits of limescale can be removed with the use of a mild limescale remover.

*Only use detergents, cleaners and limescale removers with a pH of 5-8

*The constant use of detergents will degrade the finish of the product over time if not thoroughly rinsed off.

INSTALLATION

Full installation instructions are provided with each AYO product to ensure correct installation. AYO Wetroom Solutions are adjustable between the dimensions stated. All dimensions are approximate.

CONDITIONS OF SALE

Unless otherwise stated, all price quotations are subject to acceptance within 30 days of date of issue. Other than in the case of faulty goods / incorrect despatch, Flair will not accept the return of any product.

AS PART OF OUR CONTINUING POLICY OF PRODUCT IMPROVEMENT, WE RESERVE THE RIGHT TO AMEND SPECIFICATIONS, COLOURS AND PRICES WITHOUT PRIOR NOTICE.

*Errors and Omissions Exempt.
