THE AYO® COLLECTION

The AYO modular wetroom collection is crafted to create a truly personal shower experience.

Standing tall at a height of 2 metres, AYO comes in 8mm and 10mm glass which is treated with a hydrophobic coating that resists the build up of grime and lime scale.

With an abundance of configurations and fixture innovations such as recessed channels, fixed and rotating deflector panels, ultra-clear seals and stylish stabilising bar options, makes this a truly versatile modular wetroom system. AYO boasts 3 glass options - clear, fluted and opaque.

Now available in 9 high quality colour finishes, AYO will pair perfectly with other signature elements in any bathroom.

FINISHES

S - Silver
SS - Stainless Steel
W - White
B - Matte Black
BRB - Brushed Brass

PG - Polished Gold
BRMN - Matte Nickel
BRN - Brushed Nickel
CTRY BRZ - Country Bronze

PVD

The PVD coating is applied to high grade 304 stainless steel base material. The result is a superbly robust and hard wearing finish.

* Polished Stainless Steel is high grade 304 stainless steel.

AYO[®] COLOUR

THE PVD PROCESS EXPLAINED

PVD - PHYSICAL VAPOUR DEPOSITION

PVD is a technique that applies colour on an atomic level to a base surface inside a vacuum chamber. This process physically changes the original base material to the desired colour composition, meaning that the surface won't wear off or degenerate over time.

PVD is one of the most durable colouring technologies being up to 3 times harder and 10 times more scratch resistant than the alternative surface options.

INFLUENCED BY SIMPLE AESTHETICS

The PVD Finish extends across a select offering of AYO components that includes a 15mm Wall Profile, 1200mm Straight Stabilising Bar, 650mm Angled Stabilising Bar and T Piece.

AYO 10MM WETROOM BRUSHED BRASS

WETROOM DEFLECTOR PANEL

FIXED & ROTATING

Combining effortlessly with AYO wetroom panels, our range of fixed and rotating deflector panels offers comprehensive splash protection whilst maintaining an elegant, tranquil aesthetic within your bathroom.

Showcasing spacious access to the shower area, the rotating deflector design can be folded to an impressive 180 degrees.*

Enhance your wetroom design by choosing a minimal ultra clear corner joining seal - maximising your showers visual appeal.

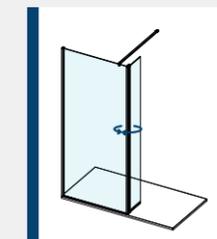

A range of deflector panel sizes are available alongside a selection of stabilising bar configurations to suit your individual needs. Rotating panels can also be retrofitted.

HINGED ROTATING DEFLECTOR PANEL

HINGE & ROTATING PANELS - BRUSHED BRASS

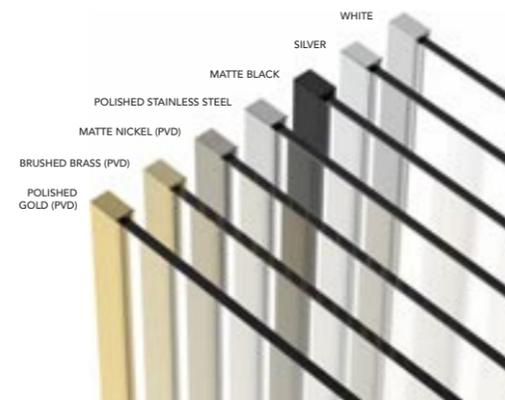

HINGE & ROTATING PANELS WITH FLUTED GLASS - MATTE BLACK

The AYO Hinge Rotating Deflector Panel offers both visual appeal and practical functionality.

Designed to fit alongside an AYO wetroom panel, these minimalist glass rotating panels can be folded to an impressive 180 degrees. This allows for generous access to the shower, whilst protecting the bathroom from unwanted water splash.

Available in a variety of premium colour finishes, there is an option to suit all bathroom needs. The frameless design of the hinge rotating panel delivers an effortless luxury to the wetroom shower zone.

CORNER WALK-IN WETROOM

Offering form as well as function, the AYO Walk-In configuration showcases an enclosed design to ensure minimal splash.

Elegant stainless-steel support bars create a simple, yet beautiful aesthetic. The AYO Corner walk in arrangement is designed to deliver maximum sophistication and enhance the art of showering.

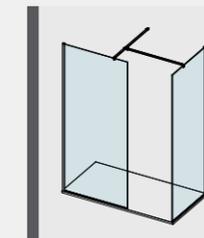

With ClearVue hydrophobic coating resisting the build-up of grime and limescale on glass surfaces, AYO wetrooms truly lend themselves to easy maintenance.

THE AYO® 8MM FRAMED COLLECTION

MATTE BLACK ONLY
AVAILABLE IN CLEAR GLASS & FLUTED GLASS

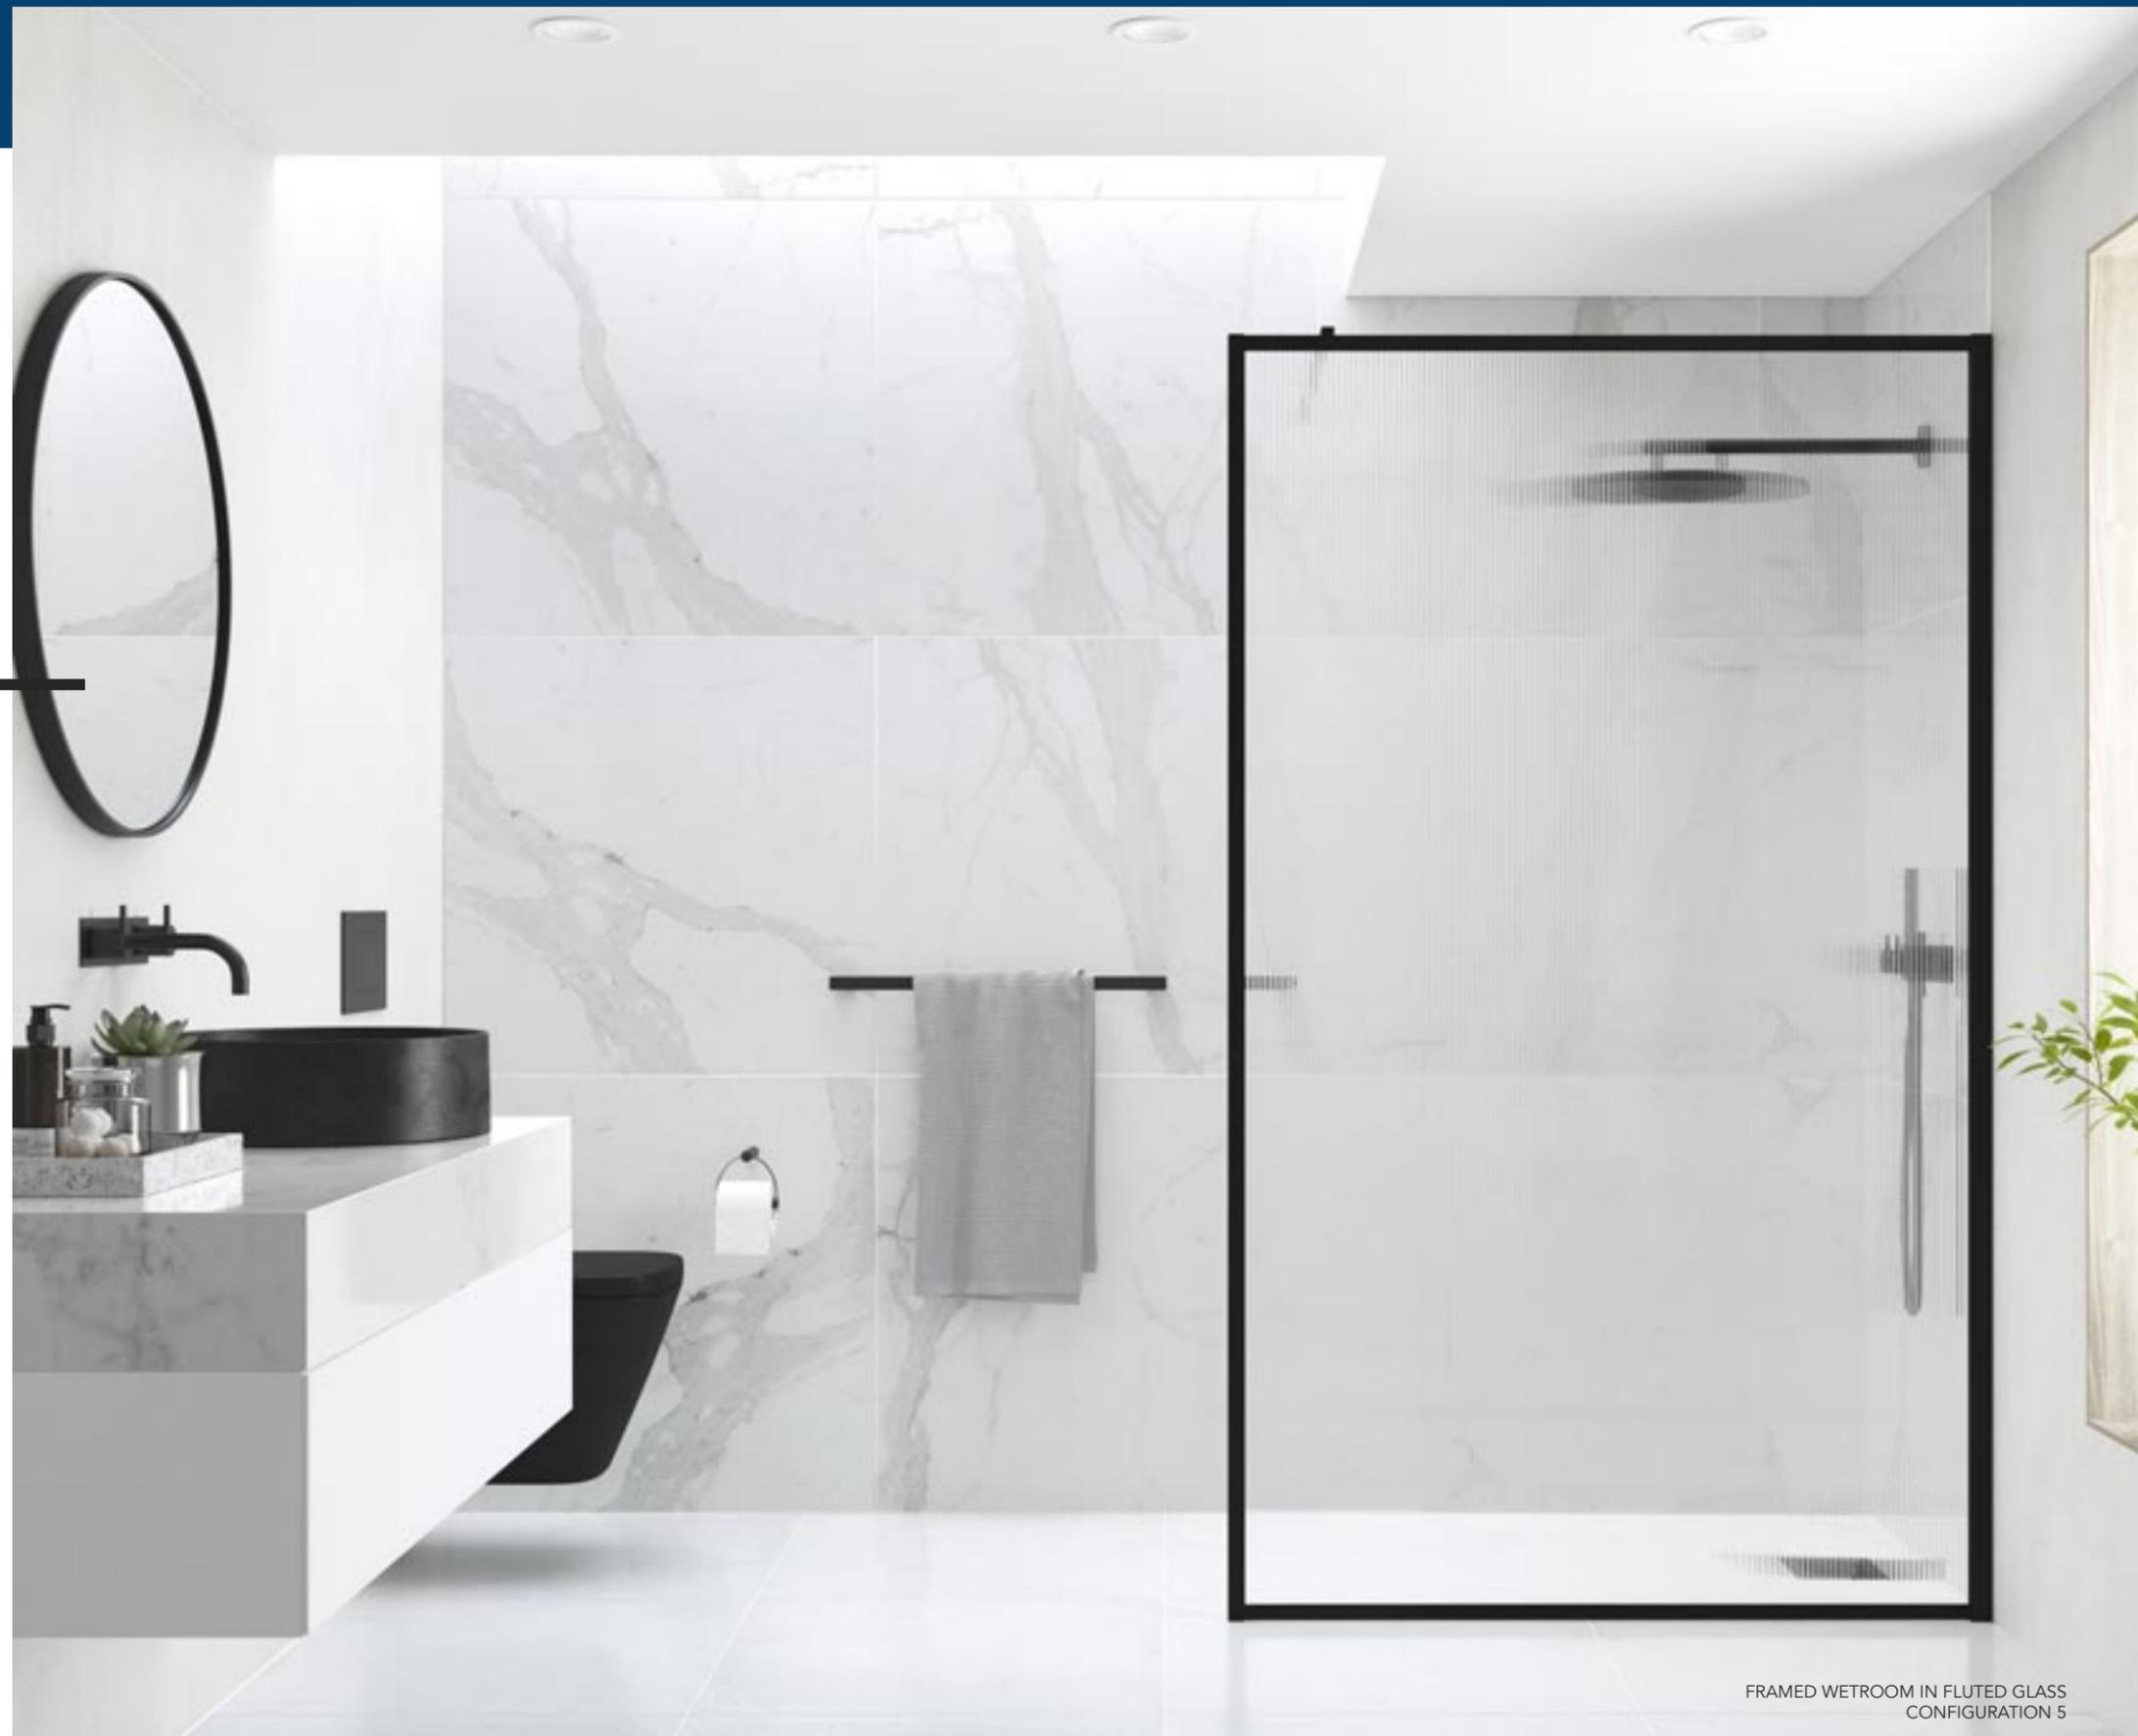

The contemporary industrial aesthetic inspired by factories and warehouses is now an established trend in bathroom design. With this in mind, the AYO Framed collection is carefully curated to deliver a striking look in the showering zone.

Standing at impressive 2 metres tall, each AYO Framed screen is coated with a Hydrophobic coating to repel against unwanted grime and limescale.

Silk screen print technology enables the interior of all AYO framed screens to retain a flush finish for ease of cleaning and maintenance. Each 8mm toughened glass panel is firstly **silk screen printed** with the black framed design applied to the glass exterior. **Black anodised metal profiles** are then bonded to the exterior of the glass panels.

Expertly designed each AYO glass panel is fully surrounded by a robust metal frame, providing maximum durability for the hardworking bathroom environment.

LINEAR FRAMED WETROOM WITH ROTATING DEFLECTOR PANEL - MATTE BLACK

LINEAR FRAMED CORNER WALK IN WETROOM

FRAMED CORNER WALK-IN WETROOM

Make a visual statement by choosing a sleek and stylish AYO Framed Corner Walk-in Wetroom.

The black anodised metal profiles fully surround each glass panel and ensure maximum durability in the busy bathroom environment. These AYO Framed fixed glass panels form a luxurious wetroom arrangement that minimises water spray into the bathroom. Easy to clean, each glass panel retains its flush interior finish and has the added bonus of a hydrophobic coating that repels unwanted grime and limescale.

Choose from two striking design options - The Framed Wetroom or Linear Framed Wetroom style.

AYO WETROOM SILVER FINISH - CONFIGURATION 23

AYO[®]

MODULAR WETROOM

CREATE
YOUR OWN
CONFIGURATION

DESIGN YOUR PERSONAL SHOWER SANCTUARY

Elevate your Showering experience with the flexibility and style of **AYO Modular**.

AYO Modular creates a step-by-step process that will help bring your dream shower space to life and is tailored to create a unique shower enclosure design that suits your style.

Choose from a variety of materials, colors, and finishes to create the perfect ambiance.

AYO MODULAR WETROOMS

STEP 1 – CHOOSE AYO GLASS PANEL(S) SIZE

Finishes: Clear glass, opaque glass and fluted glass options available.

See from page 186 for 10mm options and from page 192 for 8mm options.

STEP 2 – CHOOSE WALL PROFILE(S) REQUIRED

Colour: Choose your colour option.

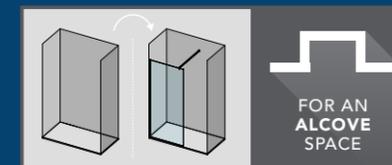

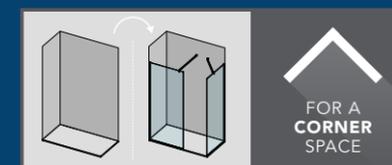

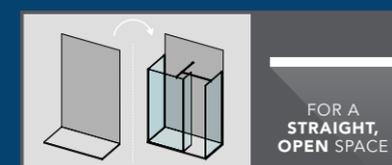

Wall Profile: Choose a 15mm wall profile (All colours) or a 35mm wall profile (Sliver and Black only) or opt for a recessed wall profile (All colours).

STEP 3 – CHOOSE STABILISING SOLUTION

Choose from a selection of stabilising solutions to suit your space and preference.

1200mm straight stabilising bar / 650mm angled stabilising bar available in all 7 colour finishes.

STEP 4 – CHOOSE ACCESSORIES OPTIONS (IF APPLICABLE)

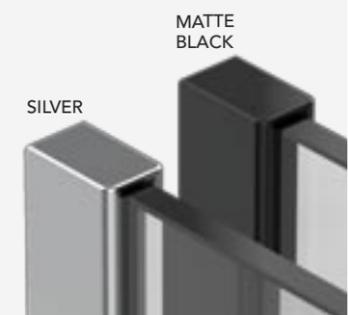

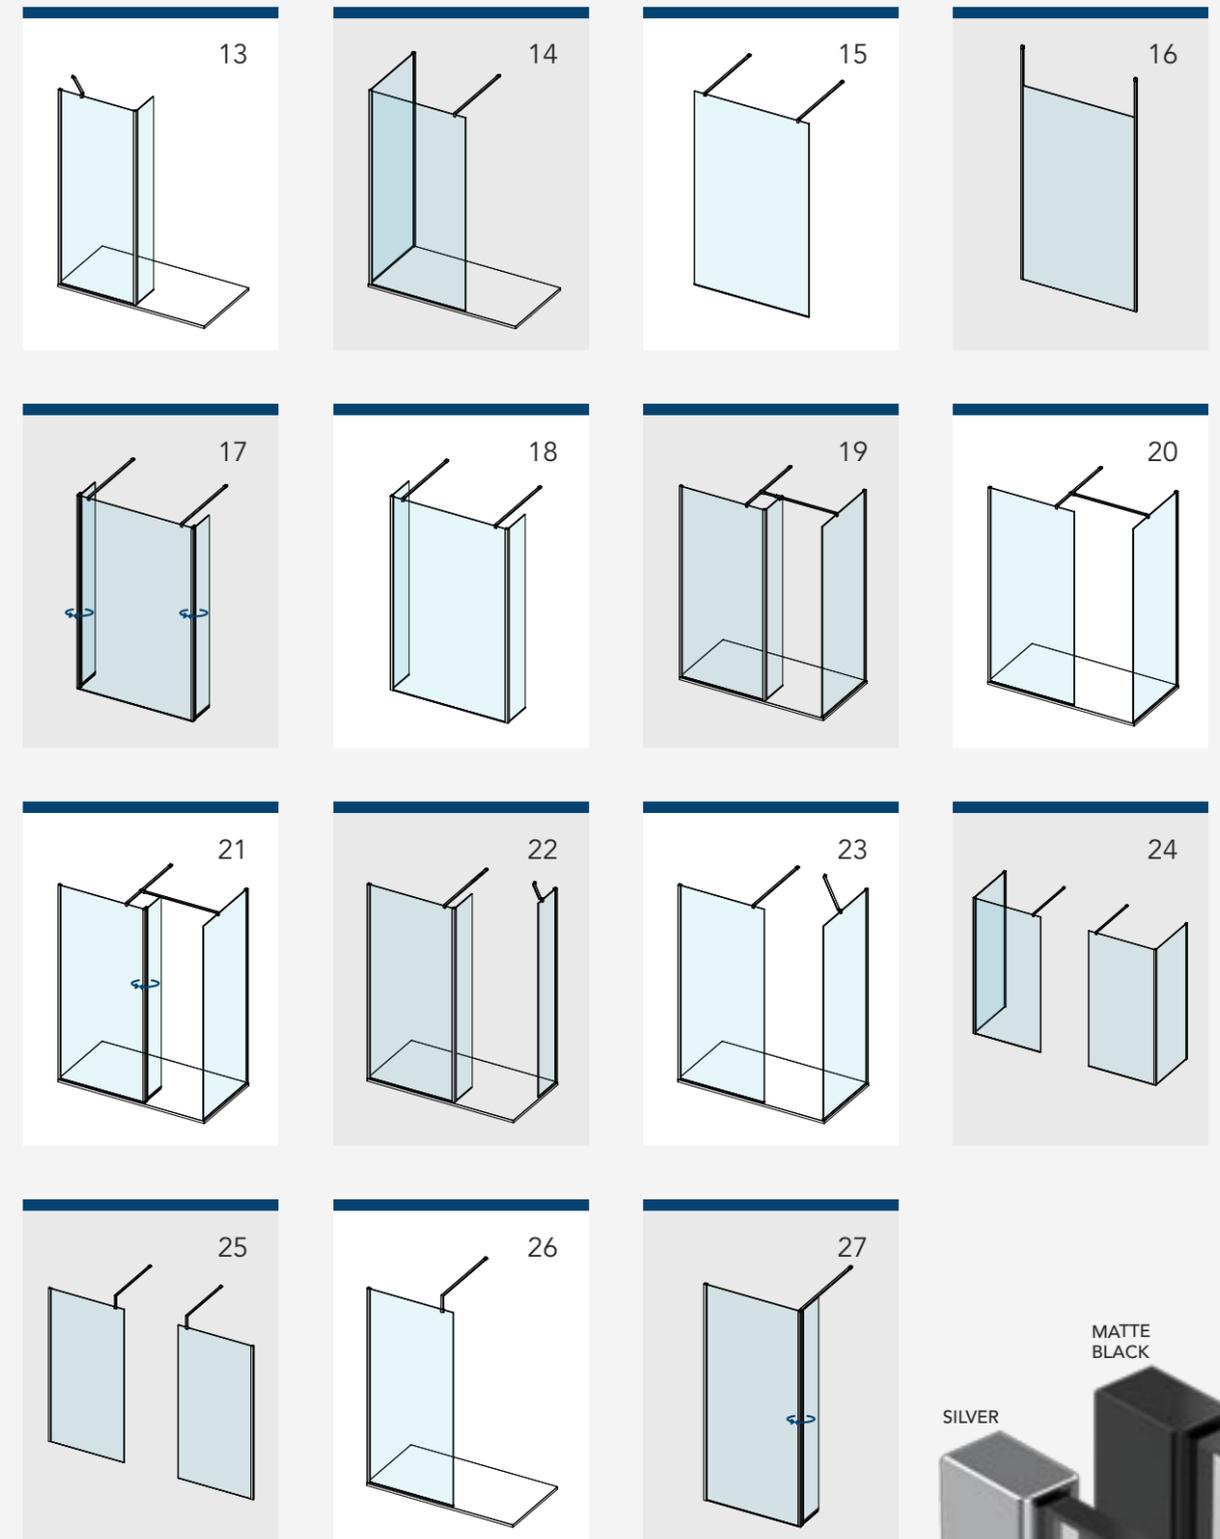

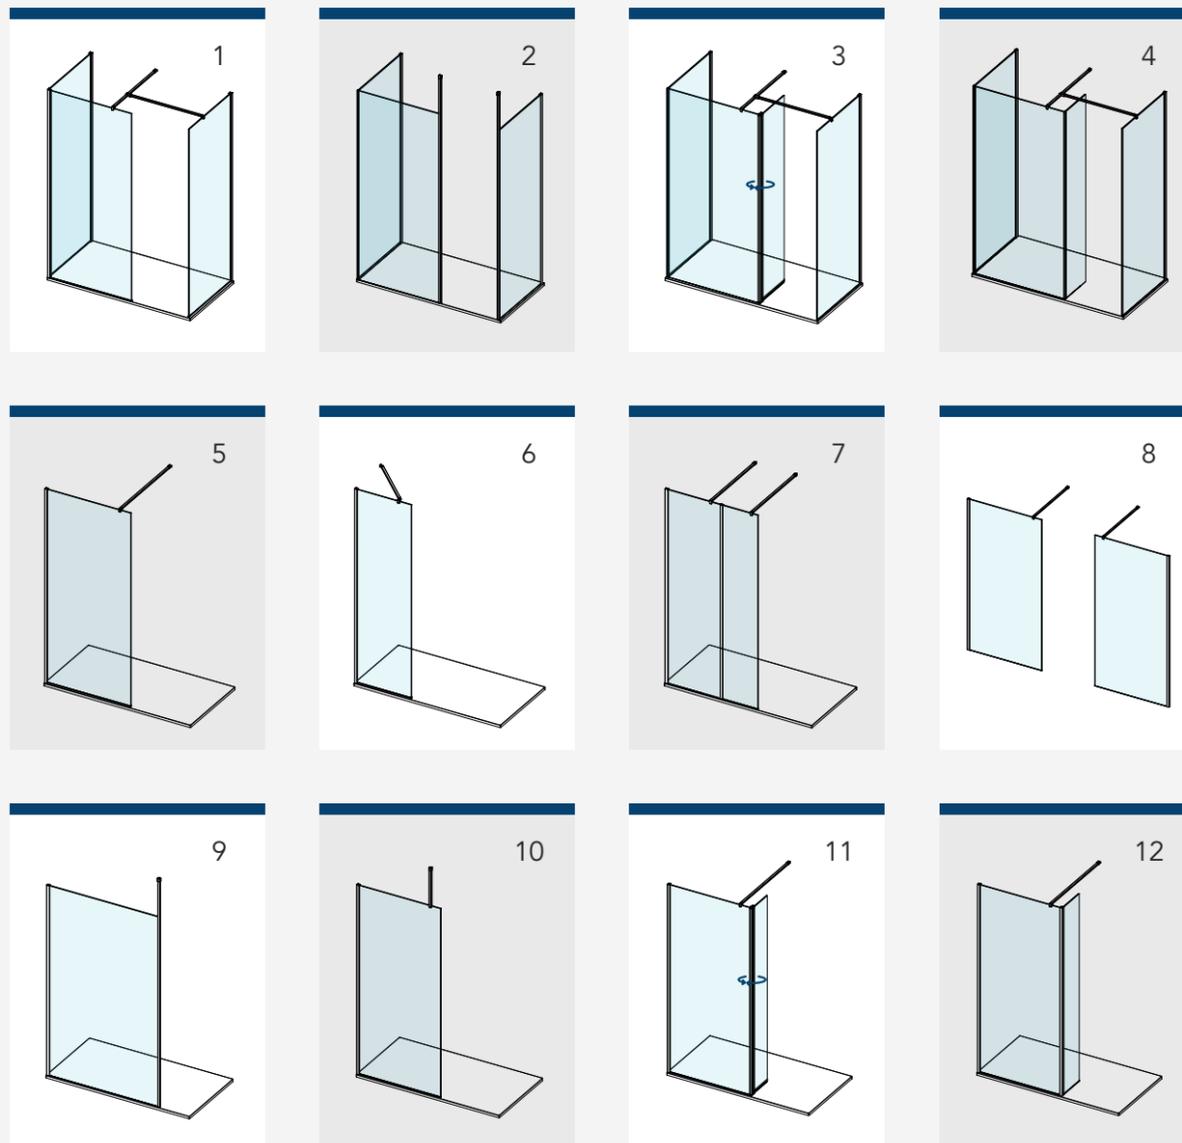

CHOOSE & MEASURE YOUR SPACE

Please note: It is suggested to leave a minimum of 500mm wide access when measuring for your wetroom panel.

CONFIGURATION GUIDE

With an almost infinite choice of wetroom configurations, AYO provides maximum flexibility as you personalise your dream shower space.

 – Indicates Rotating Deflector Panel

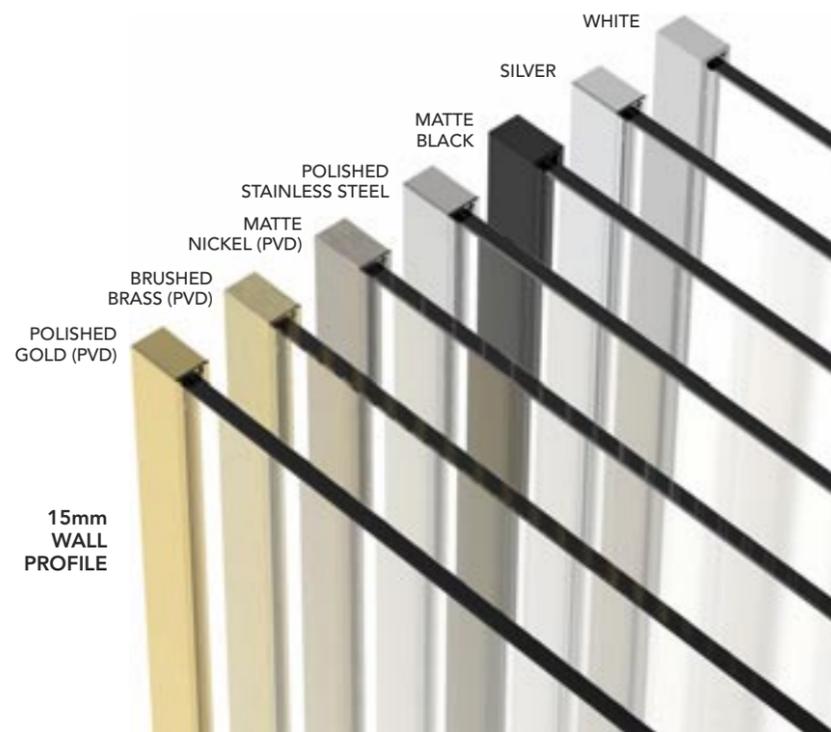

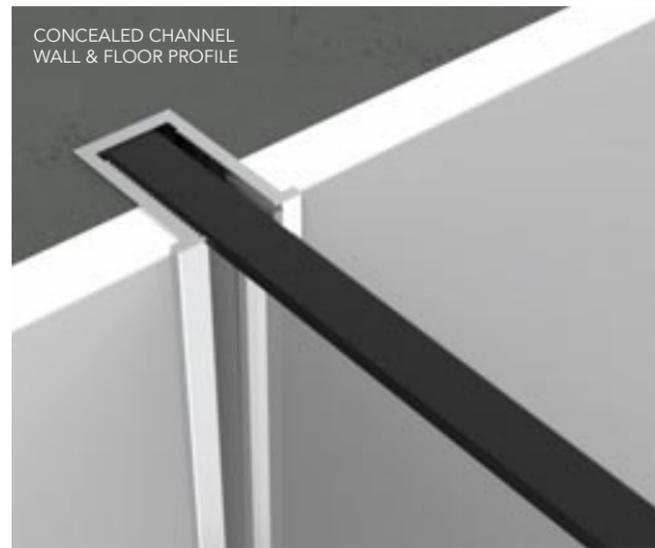

PROFILE SOLUTIONS

An array of wall profile solutions provides maximum versatility as each AYO wetroom aspiration becomes the reality.

All profile solutions are available in the standard Silver and Black options.

AYO COLOUR

Please note: 15mm Wall Profile is available the premium colours - White, Brushed Brass, Matte Nickel, Stainless Steel and Polished Gold.

SEAL SOLUTIONS

AYO maximizes your shower's visual appeal by offering an extensive selection of discreet ultra clear seal options.

STABILISING SOLUTIONS

The subtle contours of each AYO stabilising bar delivers the perfect blend of form and function. Each fixation bracket is masterfully engineered for durability, with screw points discreetly concealed from view.

An array of stabilising solutions are available in the standard Stainless Steel and Black options.

AYO COLOUR

Note: The following stabilising bar options are available in White Brushed Brass, Matte Nickel and Polished Gold PVD finish:

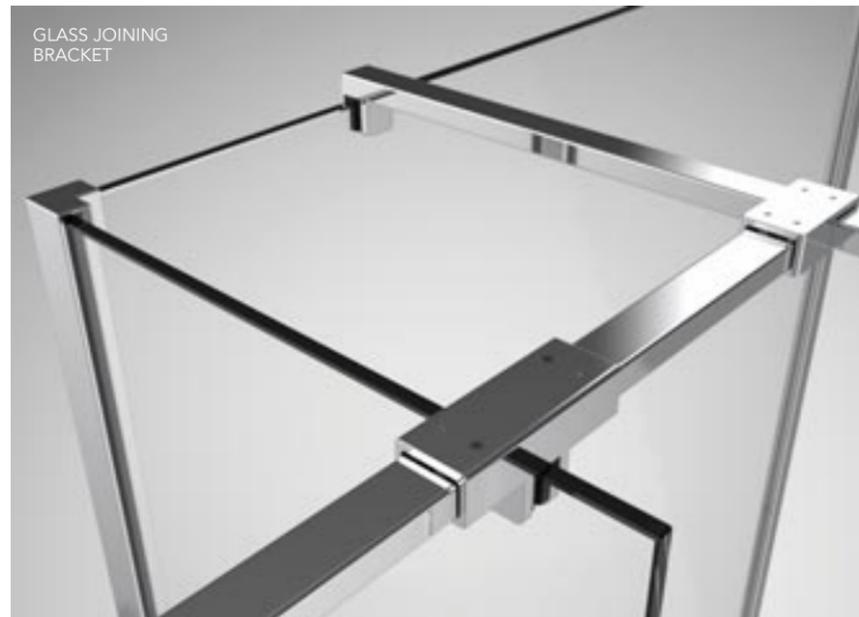

- 1200mm Straight Stabilising Bar
- 650mm Angled Stabilising Bar
- T Piece

GEMSTONE

The Gemstone brand is synonymous with quality and style. This extensive selection of slate textured shower trays compliment the most beautiful of bathroom designs. With an ultra minimal height of 25 to 30mm, each tray is anti-slip rated and available in 4 colour options - Onyx Black, Graphite Black, Flint Grey or White.

Choose from square or linear shape shower drain options. Both visually appealing and sensual to touch, a Gemstone shower tray will work perfectly in a wide variety of bathroom applications, be they classic, modern or contemporary in design.

SHOWER TRAYS

GEMSTONE INFORMATION

GUARANTEE

Your Gemstone tray must be inspected 100% before installation. Fitting of tray is acceptance of quality. Please read fitting instructions fully before installation.

Before tiling and placing the screen or any other fixed material on the shower tray, please make sure that the perimeters of your tray are 100% level in all directions.

The guarantee only covers the replacement or repair of the product and excludes any other compensation, assembly or travel costs.

Gemstone Trays are guaranteed for 2 years, in accordance with current European regulations.

The following are excluded from the guarantee:

- Damage caused by misuse
- Damage caused by the use of unsuitable cleaning materials (do not use products containing acids, alcohol, chlorine or solvents, do not spill drain cleaners onto the shower tray, do not use metallic or scouring pads)
- Damage caused by improper installation
- Damage caused by the improper handling of the product

Our products must be installed by qualified personnel to be eligible for the product guarantee. An installation guide will be delivered with the tray for its proper placement.

Before installing the tray you should make sure that:

- The tray drains well and is 100% level
- It has no anomalies
- The tray has been stored in a horizontal position, on a flat surface, until installation

CLEANING

- Routine: rinse and leave to dry
- Thorough: rub with a soft cloth with neutral liquid detergent; for limescale prevention use an anti-lime product

Please note, Gemstone Trays are manufactured from a natural stone resin composition. You must allow for a tray thickness tolerance of 2 - 3mm.

CHEMICAL TESTS

Chemical resistance tested in accordance with UNE-EN 12527 - No deterioration.

CHEMICAL TESTING COMPOSITION

Acetyl acid (10%), sodium hydroxide (10%), ethanol (70%), bleach, methylene blue (1%).

CLEANING SOLVENT (PRODUCT)	EXPOSURE TIME (DAYS)	RESULT OF VISUAL INSPECTION
Don Limpio Neutral PH	4	No Visible Effect
Perfumed Home Bleach	4	Slight Bleaching
Ace	4	Slight Bleaching
Perfumed Ammonia	4	No Visible Effect

KH-7 Anti-lime	4	No Visible Effect
White Wine Vinegar	4	No Visible Effect
Povidone Iodine	4	No Visible Effect
Hydrochloric Acid	4	No Visible Effect
Hydrogen Peroxide	4	No Visible Effect
Cleaning Solvent	4	No Visible Effect
Methylated Spirits	4	No Visible Effect
Acetone	4	No Visible Effect
Nail Polish Remover	4	No Visible Effect

PACKAGING AND STORAGE

The products are delivered packed in individual boxes with expanded polystyrene reinforcements, including the drainage grate. Gemstone trays must be stored in a horizontal position on a flat surface until installation. This prevents the tray from losing shape.

FAQ

Can it be cut?

Yes, with a diamond cutting wheel.

Note - Maximum trim of 200mm on rectangular waste trays. Maximum trim of 100mm on linear waste trays, with the cut applied to opposite end to the linear drain.

Can it be repaired?

Although they are highly resistant to any impact, we have a repair kit available to the customer. Please contact us on 01279 443 644 to order your Gemstone Tray repair kit. Lead time applies.

How should the product be cleaned?

We recommend cleaning with water and neutral soap, applied with a sponge, never with scouring products or tools.

What material should I use to install the products?

Your Gemstone tray must be installed on a fully level glue-cement or mortar base. For sealing the product, it is recommended to use MS flexible polyurethane sealant and / or a neutral silicone.

FLAIR EASY PLUMB KIT

Flair slimline easy plumb shower kits have adjustable legs to comply with building regulations to assist in installation and for maintenance of waste outlets if required after building settlement.

The Flair slimline easy plumb kit provides this access without compromising on style in the bathroom.

An easy plumb tray can be made by using any of the Flair slimline trays and a kit. This will increase the height of the tray by 95mm.

Accessories are not to scale - for visual representation only.

QUALITY GUARANTEED

At Flair we have an unwavering commitment to product quality.

All Flair Shower doors and wetrooms are CE approved and manufactured in accordance with ISO 9001:2000 Quality Assurance systems. All glass is toughed safety glass and produced to EN12150.

Flair products are performance tested to EN14428. Shower doors and rotating wetroom panels have been subject to lifetime shower door cycle testing consisting of 20,000 functional cycles.

Flair Shower doors and rotating wetroom panels have also been tested for their durability, stability, and water retention properties to ensure that they meet the highest possible industry standards. Water is maintained where conventional showering practices are used and the product has been fitted in accordance with the Flair Fitting Instructions. Please note - Due to the weight of certain products, they may require a two man lift.

Images shown in this catalogue are for illustrative purposes only. All descriptions contained in this catalogue are for the purpose of explaining each product more clearly and do not form part of any contract with the company.

Guarantee

ORO & ETO Shower Doors are covered by a lifetime guarantee against manufacturer defect. A lifetime guarantee constitutes a term of 20 years. AYO Wetrooms and Bathscreens are covered by a 20 year guarantee against manufacturer defect. Shower Trays are subject to manufacturer guarantee. All guarantees are valid on the condition that goods are installed and maintained in accordance with the products fitting instructions and best practices. This guarantee is for domestic use only.

***Note: Non glass and detachable parts such as seals and cover caps are subject to normal wear and tear during usage and are under statutory guarantee for 2 years from time of purchase. Glass shattering is not subject to Lifetime guarantee.**

We ask our customers to register their guarantee online at www.flairshowers.com or return the guarantee card that comes with every Flair product.

After-sales & Spare Parts Service

Flair Showers are 100% committed to customer service excellence. For ultimate peace of mind, a comprehensive range of spare parts is available for all Flair product ranges. If you would like to talk to an aftercare specialist about your Flair product, please contact us on (Ireland & Northern Ireland) +353 42 966 8000 or (UK) 0800 1800 8050.

Return Policy

Flair will not accept return of any product that has been opened. We do not accept return of any product if the packaging has been damaged. If the product is unopened and not damaged, we will accept the return of the product but a handling fee of 25% of the invoice price will be charged.

Cleaning Guidelines

- Glass: Use a soft cloth and warm soapy water; rinse off thoroughly.
- Metallic Surfaces: Use a soft cloth and warm soapy water; rinse off thoroughly.
- Do not use "Spray & leave" cleaning products on the metal surface as these will cause damage to your product. These include acidic based cleaning products, bleaches, solvents or abrasive pads.
- In hard water areas, regular cleaning of your Flair door will help to prevent the build-up of limescale. Stubborn deposits of limescale can be removed with warm soapy water.
- Check your shower door for functionality periodically. Ensure that the wheel track is free from any grit / dirt which may have collected over time.

Installation

Full installation instructions are provided with each product to ensure correct installation. All Shower doors and wetroom panels are adjustable between the dimensions stated. All dimensions are approximate.

Shower Tray Installation

All shower trays must be installed as per instructions supplied. Install on a base of fine sand, cement and cement additive. Please note: Silicone sealants, foams, mastics, installation compound adhesive or similar must not be used as a substitute for cement. Ensure shower tray is 100% level and water test to ensure water is draining correctly. If not satisfied at any stage do not proceed with fitting. Fitting of Shower Tray is acceptance of quality.

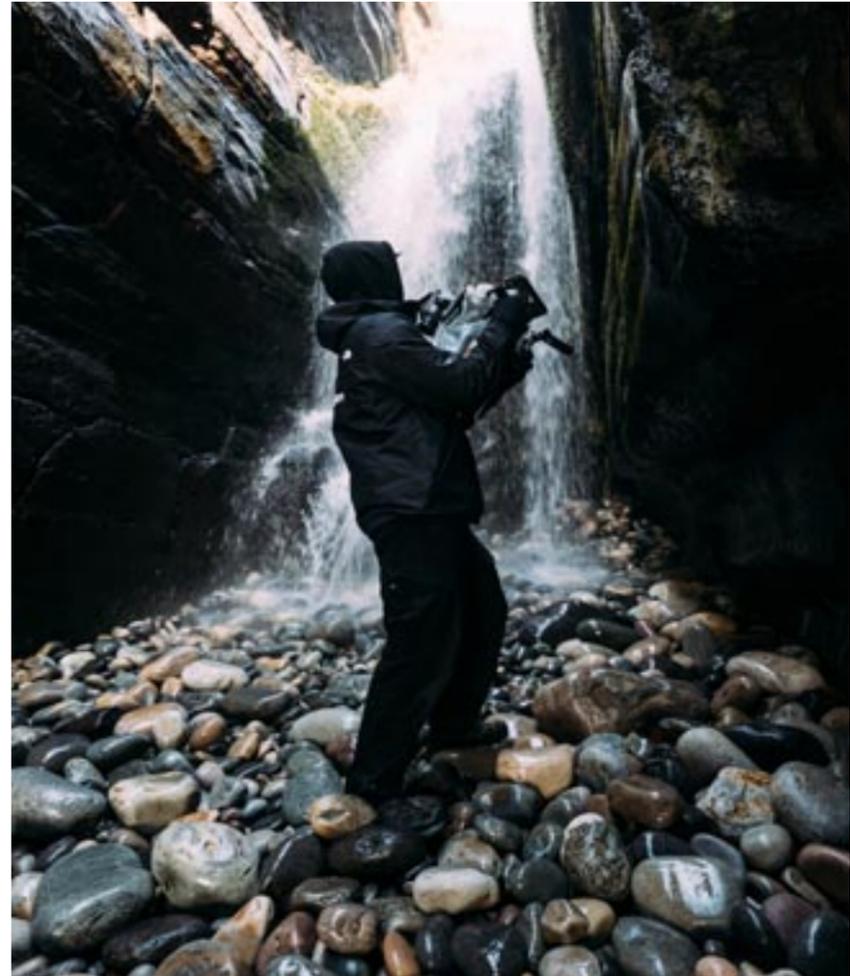

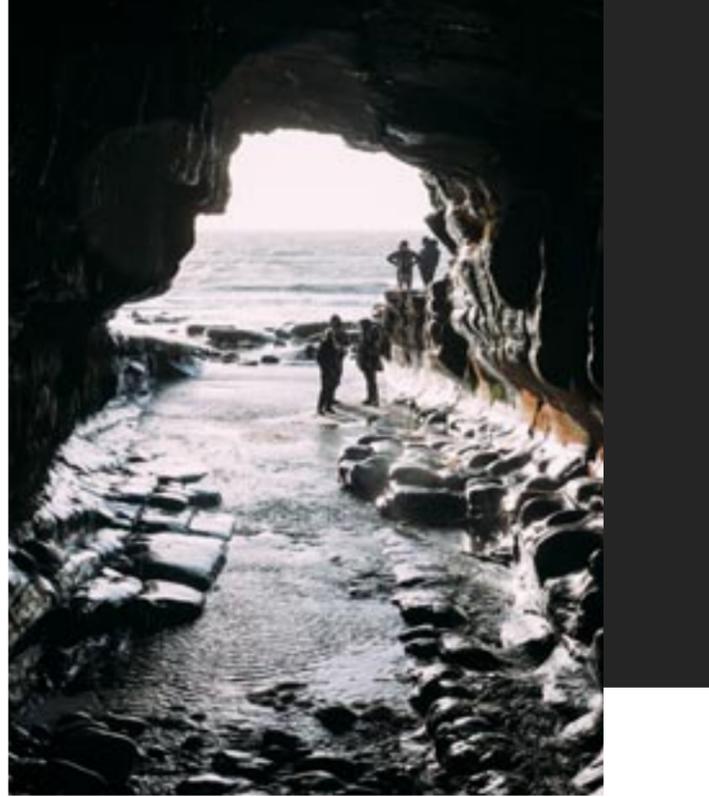

Conditions of Sale

Unless otherwise stated, all price quotations are subject to acceptance within 30 days of date of issue. Other than in the case of faulty goods / incorrect despatch, Flair will not accept the return of any product.

AS PART OF OUR CONTINUING POLICY OF PRODUCT IMPROVEMENT, WE RESERVE THE RIGHT TO AMEND SPECIFICATIONS, COLOURS AND PRICES WITHOUT PRIOR NOTICE.

*Errors and Omissions Exempt.
